### Overview of topics

---

<b>1</b>	<b>Coding Warm up</b>	<b>1</b>
<b>2</b>	<b>Goals Re-alignmnet</b>	<b>1</b>
<b>3</b>	<b>Go over API documentation</b>	<b>1</b>

---

### 1 Coding Warm up

- Ransom note

### 2 Goals Re-alignmnet

- Let's re-est our goals.
  - Prototype to be ready by Aug 18.
  - Final bot to be ready by Sep 1.
- Change focus to single application (champ builds).

### 3 Go over API documentation

- Show where to find proper documentation for how to make API calls.
- Cassiopeia examples can be found here: <https://github.com/meraki-analytics/cassiopeia>
- Official Cassiopeia documentation (which is currently under construction) can be found here: <http://cassiopeia.readthedocs.io>
